ANN PACHNER: MIRRORS/PHOTOS/CARVING

"A GLIMPSE OF HERE"

NOVEMBER 9 - DECEMBER 4, 1999

OPENING, SATURDAY, NOVEMBER 13, 6-8PM

This is Ann Pachner's fifth solo show at A.I.R. gallery.

Pachner's new works use text, form, and literal images to create spaces between.

The practice of meditation and the practice of art, their similarities and divergences are the source of these works. While one moves toward form the other moves to the formless; implicit in both are fire and the goal of being transparent to the moment—in the moment with clarity and feeling.

These works use mirrors, images of fire, and carved form to create a tension between quietude and heat.
